Hyaluronic Collagen Mask

All skin types, aging skin.

This mask contains hyaluronic acid which carries collagen and elastin to inner layers of your skin. It provides nutrition for dehydrated skin while also forming a protective layer. Vitamin E and collagen promote skin elasticity, health, and vibrancy.

Application: open foil pack, remove the two sections of the translucent crystal face mask, unfold and place on cleansed face. Remove after 20 minutes. Do not rinse or cleanse after use. allow the remaining ingredients to be absorbed by the face.

Mesoheal Collagen Mask

All skin types

The mask is specially designed to improve the effect and reduce the recovery period after various types of mesotherapy, in particular after the use of Dermalroller, as well as microneedling pen Dermapen.

Hypoallergenic innovative product. The mask is free of parabens, phthalates and sulfates.

Advantages:

- The skin is protected from drying out of gets optimum hydration
- Removal of irritation
- Protection against scabbing
- Prevention of edema and bruising
- Improving skin relief, giving it smoothness
- Protection against infection
- Maintaining fat content of the skin at the normal level

Vitamin C Collagen Mask

Normal skin

Vitamin C brightening mask is enriched with vitamin C, collagen, plant extracts, peptides and hyaluronic acid to enhance skin brightness, normalize melanin, and reduce the formation of black spots. Protects against free-radical damage and helps to diminish the appearance of wrinkles and fine lines.

Application: open foil pack, remove the two sections of the translucent crystal face mask, unfold and place on cleansed face. Remove after 20 minutes. Do not rinse or cleanse after use. allow the remaining ingredients to be absorbed by the face.

Bio-Cellulose Collagen Mask

All skin types, aging, dehydrated, uneven skin

This bio-cellulose mask rich in minerals and seaweed promotes cell regeneration, stimulates collagen synthesis, and brings instant moisture to the dehydrated skin. It's anti-inflammatory qualities calm and soothe the skin. The active anti-aging properties nourish the skin and smooth the wrinkles.

Application: open foil pack, remove the two sections of the translucent crystal face mask, unfold and place on cleansed face. Remove after 20 minutes. Do not rinse or cleanse after use. allow the remaining ingredients

Jasmine Collagen Mask

All skin types, sensitive skin, cuprous

this mask containing jasmine oil, honey extract, collagen, vitamins e, amino and hyaluronic acids reduces swelling, irritation and redness. Regenerates, softens and firms mature skin.

Application: open foil pack, remove the two sections of the translucent crystal face mask, unfold and place on cleansed face. Remove after 20 minutes. Do not rinse or cleanse after use. allow the remaining ingredients to be absorbed by the face.

24K GOLD Collagen Mask

All skin types

Highly effective, 24 K Gold Collagen Mask penetrates deeply into the skin layers and boosts rejuvenation on the cellular level. Reduce the appearance of existing signs of aging, but also helps prevent future wrinkles.

Application: open foil pack, remove the two sections of the translucent crystal face mask, unfold and place on cleansed face. Remove after 20 minutes. Do not rinse or cleanse after use. allow the remaining ingredients to be absorbed by the face.

ICE LIFT Neck Hydrating Mask

All skin types

this mask containing collagen, vitamins e, lavender oil and hyaluronic acid tightens, smoothens, lifts, and moisturizes leaving the gentle neck skin looking firmer and more supple. increases cellular moisture storage capacity, repairs fibrous tissue, and enhances elasticity.

Application: open foil pack, remove the neck mask, and place evenly over the neck area. Remove after 20 minutes. Do not rinse or cleanse after use. allow the remaining ingredients to be absorbed.

ICE LIFT Collagen Eye Mask

Normal skin

this high potency eye treatment containing collagen, vitamins e, lavender oil and hyaluronic acid provides lifting and reparative benefits to the delicate skin under the eyes. It helps to fight dark circles, reduces puffiness, hydrates the skin, increases elasticity and diminishes wrinkles.

Application: Place sealed mask in warm water for 1-2 minutes. Open foil pack, remove the two sections of the gel eye mask and lay evenly under the eyes. leave on for 15-20 min. Remove mask and discard, massage in the remaining essence from the pack.

Do not rinse or cleanse the skin around the eyes after use, finish with an eye cream.
